Honorable President

and Members of the City Council,

The attached Resolution expresses the Omaha City Council's approval of a previously approved satellite keno location due to a change of ownership, to be operated by EHPV Lottery Services, LLC, at 2368 S. 29th Street. This location is a business currently operated by Kerry L. Mumm, incorporated as Dinkers Inc., doing business under the name "Dinker's Bar."

At this location the keno business will be conducted as an ancillary activity to the existing bar and grill business. Keno bets will be received and paid at the location but the actual number selection will continue to be performed at the keno games operated at Peony Park. Additional information about the location and EHPV's plans are included within the application submitted to the City.

A liquor license is presently issued to this location.

Respectfully submitted,
